

Announcing:

**ICS Position Specific
All Hazard Incident Commander**

Train as if lives depend on it.

Course Description

This course is designed to provide local and state-level emergency responders with a robust understanding of the duties, responsibilities, and capabilities of an effective IC on an All-Hazards Incident Management Team. These responsibilities fall into two categories: 1) responding to the incident and command needs of the incident, and 2) effectively fulfilling the position responsibilities of an Incident Commander on an All-Hazards ICS Incident Management Team. Exercises, simulations, discussions, and a final exam enable students to process and apply their knowledge.

Target Audience

- *Incident Commanders of AHIMT(s)
- *District Response Task Force Commanders & Deputy Commanders
- *Emergency Management Directors
- *Responders charged with functioning as an IC for their agency.
