

ANNOUNCING:

Train as if lives depend on it.

Scenario Based Executive Level Training (SBELT)

Course Description
 This course is created to expand and sustain homeland security leadership across the country. Participants, as leaders of their communities, will learn about leadership theories and traits that will assist them in planning and preparing for a National or domestic all hazards catastrophic event. This course will use historical figures and a pandemic influenza case study to examine and discuss how leaders, at critical times, can do the right thing, at the right time, in the right way, for the right reasons.
